Dear Politicians and Members of the media,

It saddens my heart to see the lack of responsibility and accountability that is running rampant throughout the leadership in this Country. How quick they are to condemn the Border Patrol mounted unit without even investigating the circumstances or actual facts. Now I see media outlets jumping on the bandwagon by calling into question mounted units in general. Oh, you ignorant media.

We as mounted officers know the value of officers on horseback. We know the numerous protests that take place peaceably due in large part by using mounted units. We know the positive reaction by law abiding citizens. We know the benefit of using horses to effectively manage crowds. Most of all we know the Mounted Officer, we know the dedication.

We stand behind you members of the Mounted Border Patrol Agents of the Del Rio Sector.

We stand behind you members of the Border Patrol.

We stand behind you Mounted Unit members.

And we will move forward, the alternative is totally unacceptable.
